RE: 2 Orland Street corner Bayshore Drive, Milford, CT 06460

Dear Ms. Arisian:

This office has received a Certificate of Building Compliance stating that the work that has been done on the above-mentioned dwelling is complete and the dwelling is ready for occupancy.

However, prior to the issuance of a Certificate of Zoning Compliance, this office will need a current As-Built survey (stated on permit application) along with a height certification. Attached is a copy of the requirements for As-Built Surveys.

Once this information has been received and reviewed the Certificate of Zoning Compliance will be released (barring any unforeseen problems).

Should you have any questions, please feel free to contact me.

Very truly yours,

Linda Stock
Zoning Enforcement Officer
