

Todd Ramos @Todd_SEOGuy

You had a question/comment about a recent post of mine?

Yesterday, 1:39 PM

Yes was wondering if the blog posts about bay brook can be taken down its all false info

Yesterday, 2:13 PM

Yelp had the same reviews and they took them down the women is upset about not getting CO for raising her home

Yesterday, 2:15 PM

Bay brook is not a engineering company they do home improvement so this women is upset at bay rook for no reason

Yesterday, 2:16 PM

From one blogger to another can you please take the blog down

Yesterday, 2:16 PM

I'm also contacting boing boing to discuss this as well please feel free to look at yelp they all got removed

Todd Ramos @Todd_SEOGuy

look at yelp they all got removed because reviews were fake

Yesterday, 2:18 PM

do you have anything substantial to back this up? I don't think anyone said baybrook was engineering in that post.

Yesterday, 2:18 PM

Look at BBB reviews all good and a good score if bay brook was bad BBB would know about it

Yesterday, 2:18 PM

reviews taken down from yelp doesn't necessarily mean anything. what about the other reviews posted from alleged shill accounts?

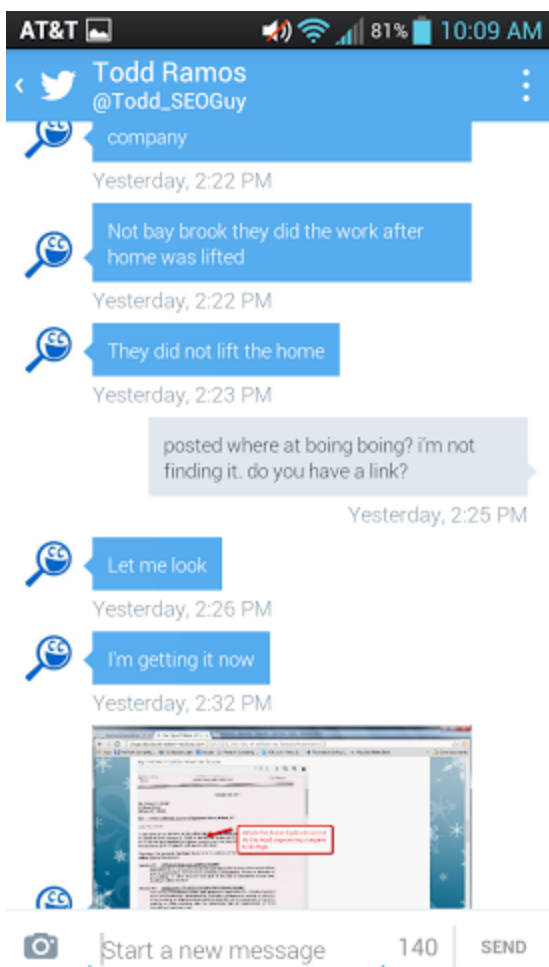

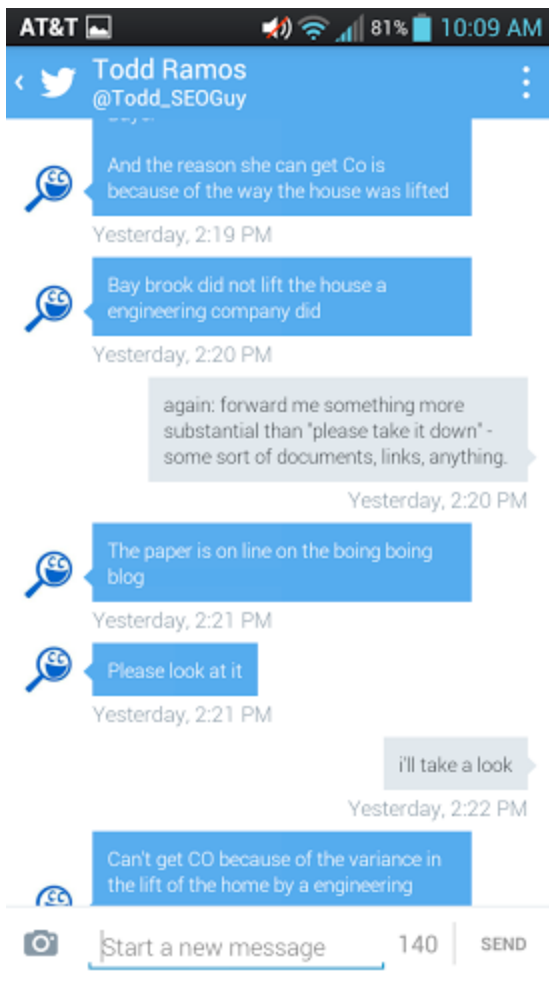

Yesterday, 2:19 PM

The women is mad because she can't get CO

Yesterday, 2:19 PM

BBB may or may not know about it. maintaining a high BBB score isn't the same thing as running a good business.

Yesterday, 2:37 PM

Yesterday, 2:37 PM

Yesterday, 2:41 PM

I understand but I supplied you the proof that paper work from the city of milford

Yesterday, 2:42 PM

They don't lie

Yesterday, 2:42 PM

Yes. And I said I need to check out other stuff related to this, like the ongoing lawsuit over the reviews.

Yesterday, 2:43 PM

And being being is gonna see the same thing and if not we have to blog back and that's just stupid so I'm trying the professional route

Yesterday, 2:43 PM

What is owner suppose to do I will have him end lawsuit if you guys can make these false statements go away

Yesterday, 2:44 PM

You're not in an unbiased position.

Yesterday, 2:45 PM

Really if it was true I would said to owner that he did something wrong and he's beet

Yesterday, 2:55 PM

I have wrong many blogs and articles and if someone is wrong I'm all about it but when it's a revenge thing that's not right

Yesterday, 2:56 PM

You and I both know that the Internet can really ruin a business if things like this come up

Yesterday, 2:57 PM

 Why don't you have the paper I sent you before you wrote a blog that can ruin a business

Yesterday, 3:12 PM

There's a lot more to the story than just that part.

Yesterday, 3:18 PM

 Not really the start of all of this is that she did not get CO

Yesterday, 3:18 PM

 Then all the lies come out

Yesterday, 3:19 PM

 She angry I get it but it was not bay brooks fault she couldn't get CO

Yesterday, 3:19 PM

 That's the fact and you should have not wrote about it if you didn't know what at the facts were

 Your listening to a women that's mad that she can't CO

Yesterday, 3:21 PM

 So when will you have a answer for me as to when and if blog will be yanked

Yesterday, 3:22 PM

that info came from a blog post, where the first zoning issue had to do with the anti-baybrook signs she hung.

Yesterday, 3:23 PM

 And if not we will have to start blogging as well and question the credibility of techdirts info they write about with no facts

Yesterday, 3:23 PM

 Yes she is mad

Yesterday, 3:24 PM

I could create a huge story about techdirt also anyone can but it's not true

Yesterday, 3:25 PM

you're missing the point. the city first went after her for the signs she hung. who was behind that?

Yesterday, 3:26 PM

She is crazy she is mad and shouldn't be hanging sighs of negative garbage

Yesterday, 3:29 PM

the CO issue came up after the sign issue. these are related and they go in that order. i will check it out and issue a correction if needed.

Yesterday, 3:32 PM

Well I will have to start having my team blog if it's not removed and it will be about tech dirt not getting facts before slandering people

Yesterday, 3:33 PM

And really ruining businesses and listening to a women and never reaching out to the owner of the company

Yesterday, 3:34 PM

And she had those signs because she knew she could not get Co

Yesterday, 3:34 PM

Yesterday, 3:37 PM

Yesterday, 3:40 PM

OK let me know but we expect the blog to be yanked becais we it's all done out of hate and revenge not fact

Yesterday, 3:55 PM
