The purpose of this report is to document the arrest of **Jamie L. Wilson** (F/W, DOB [REDACTED]) for the offense of Driving Under the Influence of Alcohol (DUI).

On 03/23/14 at approximately 11:30 P.M., I, [REDACTED] #5919, was contacted by Officer [REDACTED] #1119, of Peoria Police Dept. to assist with a possible DUI driver who was involved in a single vehicle crash. Officer [REDACTED] advised me the crash took place at the intersection of Glenn and War Memorial. The driver of the vehicle who was identified as Jamie Wilson by way of an Illinois Driver's license was transported from the scene to OSF St. Francis for further medical attention. I responded to OSF St. Francis and met with Officer [REDACTED] informed me Wilson was currently receiving a CAT scan and would be back in trauma room 1 after she was done.

I made contact with Wilson in Trauma room 1, and observed her behavior as belligerent and hostile. She was uncooperative with hospital staff and at times had to be restrained from sitting up in her bed. I requested Wilson perform the HGN test while lying in her bed, but she refused. I observed Wilson's eyes as blood shot and glassy and her speech as mumbled. I smelled a strong odor of an alcoholic beverage on Wilson's breath. Wilson refused to answer any questions as to if she had been drinking or where she was coming from prior to crashing her car.

I informed Wilson I was going to be charging her with DUI. I issued Wilson a citation for 11-501 a2, DUI (#7961665). Wilson was read aloud the Warning to Motorist form, and while I was reading she kept commenting "nope" repeatedly the entire time. When I was finished reading the Warning to Motorist form I requested Wilson allow the Nurse to draw her blood for the purpose of DUI testing. Wilson refused by saying "nope, not a chance, I'm not giving blood or blowin on nothin!"

Wilson was given a copy of the Warning to Motorist, a copy of the Law Enforcement Sworn Report with the receipt to drive signed, and her copies of the citation. Wilson was informed of the Peoria Co mandatory court appearance on 04/28/14. Wilson was admitted into OSF St. Francis for further observation.

I met with Wilson's ER Physician, Brandon Bleess, and requested Wilson's lab results. After completing the OSF St. Francis request form, Dr. Bleess provided me with a computer print-out of Wilson's lab results. It showed Wilson's BAC was **.392**, from blood drawn at 11:35 p.m.
