FOIA Control No. 2014-671

Dear Mr. Mocek:

This is in reply to your email dated September 26, 2014, in which you invoke the Freedom of Information Act (FOIA) (5 U.S.C. 552), seeking "all equipment authorizations granted to Harris Corporation by the Federal Communications Commission that contain conditions including a requirement that state and local law enforcement agencies must complete one or more non-disclosure agreements with the Federal Bureau of Investigation prior to acquisition and/or use of the authorized equipment."

We do not require that state and local law enforcement agencies have to complete one or more non-disclosure agreements with the Federal Bureau of Investigation prior to acquisition and/or use of the authorized equipment. We have no documents responsive to your request.

If you consider this to be a denial of your FOIA request, you may seek review of this decision by filing an application for review with the Office of General Counsel within 30 days of the date of this letter. *See* 47 C.F.R. § 0.461(j).

Sincerely,

A handwritten signature in black ink that reads "Julius P. Knapp". The signature is written in a cursive style with a large initial "J".

Julius P. Knapp
Chief
Office of Engineering & Technology
