Re: Public Records Request

Dear Mr. Katz-Lacabe:

You have requested documents in the possession, custody or control of the Boston Police Department under the Massachusetts Public Records Request Act (M.G.L. c. 66, § 10). Specifically, you requested information relating to the Harris Corporation and Boeing.

The information you have requested is exempt from disclosure by MGL c. 4 s. 7(26)(f) and (n). Disclosure of the information contained in these documents would not be in the public interest and would prejudice the possibility of effective law enforcement. More specifically, the protection of such investigatory materials and reports is essential to ensure that the Department can continue to effectively monitor and control criminal activity and thus protect the safety of private citizens.

For these reasons, the Department is denying your public records request. Please be advised that this office does not provide legal assistance, opinions or explanations about police policy to the public, and will not respond to any such request. If you have been denied records by the Boston Police Department, you have the right to appeal this decision with the Supervisor of Public Records at the Public Records Division of the Secretary of the Commonwealth.

Sincerely,

Nicole I. Taub
