Dr. Muthusamy,

Happy New Year. Thank you for the message, I spoke to Keith about this and he will be in contact with you soon. Also, I am glad to hear that we at least were able to identify the video recording issue to your MAC.

Subject: Mellinkoff GI Symposium Sponsorship

Hi Vinny and Keith,

Happy New Year to you both! Looking forward to a great year and completing part 2 of the agreement for EUS/Endoworks etc.

Quick question: Who do I speak to about sponsorship from Olympus to the Mellinkoff symposium. Last year, Olympus gave \$18000 – this year only \$10K. Given our increasing collaborations.thought it should at least stay the same.

Thanks guys for your help in advance.

Raman
