Mr. Charles Koch *file*  
P.O. Box 2256  
Wichita, Kansas 67201

Dear Charles:

In case you haven't seen it, I am enclosing a copy of People magazine which contains the long awaited article on Roger.

Consistent with its readership, People has done an in-depth analysis of the libertarian philosophy and I thought you would appreciate having a chance to explore some of the more esoteric nuances presented therein.

Cordially,

Edward H. Crane, III  
National Chairman
