Dear Frances,

Is it possible for you to also give me address for the attached??

Again, they have given us money, and we are unable to fulfill their order until we have an address.

Thanks for your help.

Jane

Dear Frances,

Would you be so kind as to provide the address of:

Hubert M. Stiles, Jr.

He has donated to Cato, but we are unable to send him the required materials, as we only have his name, and no address.

I know that he is from the LP donar list, as the response was from that mailing.

Thanks for your help,

Jae

P.S. Also enclosed are labels from your list that have been returned to us as undeliverables...hopefully they can be of use to you in updating your list.
