TO WHOM IT MAY CONCERN:

My name is Santai Punyua Kimakeke; birthdate: January [REDACTED], 1987; Kenyan Passport No: [REDACTED] ID number [REDACTED] and Tax PIN [REDACTED].

I confirm that I was employed by Free The Children Kenya starting in 2010 until January 16, 2020, in the most recent position of Director East Africa Coordination.

I confirm that, I with Samuel Kimani Kamau, improperly accessed private data belonging to the organization and that of Karin Doherty on June 13, 2019.

I confirm that between November 3, 2019, and November 8, 2019, at an unknown place within the Republic of Kenya, with intent to harm the organization, I with Samuel Kimani Kamau, wrote emails containing threats of detriment to be caused to harm Marc Kielburger and the organization. In my emails, I digitally altered some of the organization's documents in this process and shared the altered documents with them.

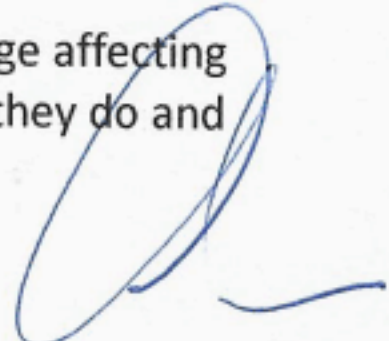

I confirm that Marc Kielburger and the senior team uncovered my activities through a fair investigation into my conduct by way of an internal investigation and external investigation by the Kenyan Directorate of Criminal Investigations.

I confirm that Marc Kielburger, Russ McLeod, Karin Doherty, and the other senior leaders of the organization have acted with the fullest integrity, transparency and respect in their actions with myself and my co-conspirator Samuel Kimani Kamau including all matters, including operations, financial activities and otherwise. Any indication otherwise or previous statements to the contrary would be incorrect.

I wish to thank the organization for acting with the highest integrity and always treating me with respect and a high degree of professionalism. At no point did the senior leaders do anything or sanction anything unethical during the time working together or throughout the investigative process.

The organization provides a unique opportunity to create massive change affecting thousands of lives in Narok County. I am immensely proud of the work they do and proud to have been part of it.
