### **[heisenberg69](#)'s post and alteration of the Office Depot logo by applying the swastika symbol associates Office Depot with Nazi Germany.**

A little history on the symbol as well; this particular design is not Nazi related but the original Sauwastika (facing left) vs. the Nazi Germany alteration (facing right). The left facing has been a symbol in Hindu/Buddhist art/texts that predate the Nazi usage by centuries. While this does not dismiss the use of the symbol in conjunction with our logo, in reviewing the posts it appears there is confusion on the symbol, but [heisenberg69](#)'s posting of the symbol over the Office Depot logo associates Office Depot with Nazi Germany.
